

Emergency Orders

Rail Systems, Inc.

September 2, 2008

Rail Systems, Inc (RSI), a Kirby Engine Systems company, has its primary operations located in Houma, Louisiana. Hurricane Gustav has caused the Houma operation to be closed temporarily. Efforts are currently under way to resume business as quickly as possible. RSI has made provisions to handle your emergency orders. Shipments will be made from other Kirby Engine Systems locations throughout the country as well as drop shipped directly from EMD as needed. During the recovery period, it is requested that you place your emergency orders by contacting the following Customer Service Representatives:

<u>Name</u>	<u>Telephone Number</u>	<u>Email</u>
Felicia Evans	(252)-407-8224	Felicia.Evans@Kirbycorp.com
David Barwick	(252)407-8500	David.Barwick@Kirbycorp.com

We will keep you advised of the status of RSI as time progresses. Thank you in advance for your cooperation.
